

A Special Afternoon for Preschoolers

ASAP

ASAP is an optional after-school program offered by Central Presbyterian Church Preschool that provides time for lunch with friends, free play, playground time, good stories, games, and other planned activities.

Themes during the year include apples, leaves, Lio Lionni books, Curious George books, fire safety, Laura Numeroff books, Thanksgiving, Advent, space, bears, mittens, and more.

Registration

ASAP is offered to any student registered in the morning program. You may enroll your child for as many days each month as you desire. Enrollment is on a first-come, first-served basis. Each month, we send a calendar home allowing you to select the days in the following month that you would like to register for. Frequently we can accept last minute requests with director approval.

Children may come to ASAP even on days that are not regular school days for them. For instance, a M-W-F student might come just for ASAP from 11:30 to 1:45 on a Tuesday or a Thursday.

Your check must accompany your registration form. You will receive a confirmation of your registration. Once you are registered for a particular day, no refunds or credits will be offered if your child is unable to attend.
